RE-FINISHING AND DISTRIBUTION

"We provide the Pulp and Paper Industry with bearings, power transmission products, seals and accessories. We are stock keepers with great availability."

"Nomo is your problem solver. Large size bearings are often difficult to purchase as they have very long lead times for production. We usually can provide these due to our safety stock."

"We have many satisfied customers in Pulp and Paper using Smartti System to atomize their stock keeping."

"We offer Bearing Repair Service. Together with our Pulp and Paper customers we have made great cost savings with Bearing Repair, which is also good for environment. We also offer Bearing Recycling Service to reduce costs, minimize unplanned maintenance stops and increase sustainability."

"Nomo keep safety stock of special products used in the Pulp and Paper Industry."

"Emergency telephone available."
