

Customer information: Company name change

nomo®

Dear customer,

We are pleased to inform you that Nomo Kullager AB is changing its legal name to Nomo Group AB.

Over the past years, Nomo has grown significantly, and our offering today extends far beyond bearings. We have made an important journey in developing our customer offering to become a broader technical solution provider, including power transmission products, seals, linear systems and industrial service. To better reflect who we are today and the value we create together with you, we believe it is time to update our legal name from Nomo Kullager AB to Nomo Group AB.

Please note that this is a name change only. Our organization, registration number, contracts, and your usual contacts remain the same, and there is no impact on ongoing agreements or deliveries. You will gradually see our new name Nomo Group AB in our communication, documents and systems.

Thank you for your continued trust and cooperation. If you have any questions, please contact your regular Nomo representative. All contact details can be found at nomo.com.

Best regards,

Henrik Walter
CEO Nomo Group AB
